***We want to get a good mix of savory as well as sweet items, so this will work  
like our club picnic in that we'd like you to RSVP with what you plan to bring  
(savory or sweet). We will let you know if we already have enough of the  
category you select, so sign up early!***

**The club will provide plates, utensils, cups, napkins and general setup as well as  
a fine box o' white wine and red wine as backup.**

**The Deer Lake Clubhouse provides a more festive and food-friendly atmosphere  
for our holiday party and it allows us to have adult beverages, unlike the  
Recreation Center, so bring your favorite wine or beer. There is a convenient  
kitchen so we can keep food warm until it's ready to be put out.**
